

***Join the Temple of Ara
And Become Part of a Global Community Celebrating
Nature as Our Greatest Spiritual Teacher!***

The Temple of Ara, a non-profit religious corporation under New York State Law, is an innovative, progressive, and non-dogmatic spiritual congregation. We are dedicated to practicing and teaching an accessible system of ancient and modern spiritual practices that enable us to personally experience the Divine within ourselves, in others, & in the world.

On the Ara path, we experience the Divine to be present in all things. As such, Nature is the embodiment of the Divine, and thus our greatest spiritual teacher. We also view our lives as temples dedicated to the Divine that is present in the world and in us. This is not something we believe, it is something we know. Through our practices, we seek to live in harmony with the wisdom inherent in the natural cycles of the Earth.

Founded by renowned theologian and bestselling author, Phyllis Currott, the Temple of Ara frequently hosts—both in person and virtually—experiential workshops, lectures, and community celebrations. We are currently developing innovative programming to help the community integrate the wisdom they gain into their daily lives.

The Temple has communities across the globe, from New York, to Canada, to Italy and we are actively forming study groups in other communities.
